1.5

of **8** reported deaths (seen this year), **62.5%** were due to road kills, **37.5%** unidentified reasons

Did you know

The nguraren (*nah-ren*) was declared critically endangered in 2017.

Conservation: How can we help?

To protect our ringtails, keep cats and dogs inside at night at a minimum, protect your peppermint, marri and jarrah trees, plant native gardens and drive carefully at night.

Missed the tally?

Send any sighting info to fauna@dbca.wa.gov.au where your important data will be added to the western ringtail possum database or participate in the next possum tally.
